Introducing the Keuco Royal Modular 2.0 collection, where elegance and functionality converge to redefine bathroom design. With 1, 2, 3, or 4 door configurations, each option offers customisable width, height, and depth, ensuring a perfect fit for any space. Enhanced by integrated lighting and power sockets, select models to combine style with practicality, catering to modern needs.

Each Royal Modular 2.0 cabinet is made to order, and to simplify your ordering process, individual order forms have been created. These forms streamline customisation, generating the correct order codes and pricing. All order forms can be found using this QR code

Products marked with the Screw or Glue logo include a glue packet in the box. This provides flexible installation, either screwed to the wall or glued using the supplied adhesive.

Both methods offer invisible attachment for a sleek, modern finish, regardless of how it's mounted.

Scan the QR code for a step-by-step glue installation demo.
