

KEUCO

BATHROOM FURNISHINGS

EDITION ACTIS

Homely harmony

With the EDITION ACTIS, KEUCO is making impressive statements in modern bathroom design. All products of the bathroom furnishing concept, from bathroom furniture and washbasins to fittings and accessories to mirror cabinets, flatter with their uniquely homely and at the same time delicate design language.

EDITION ACTIS

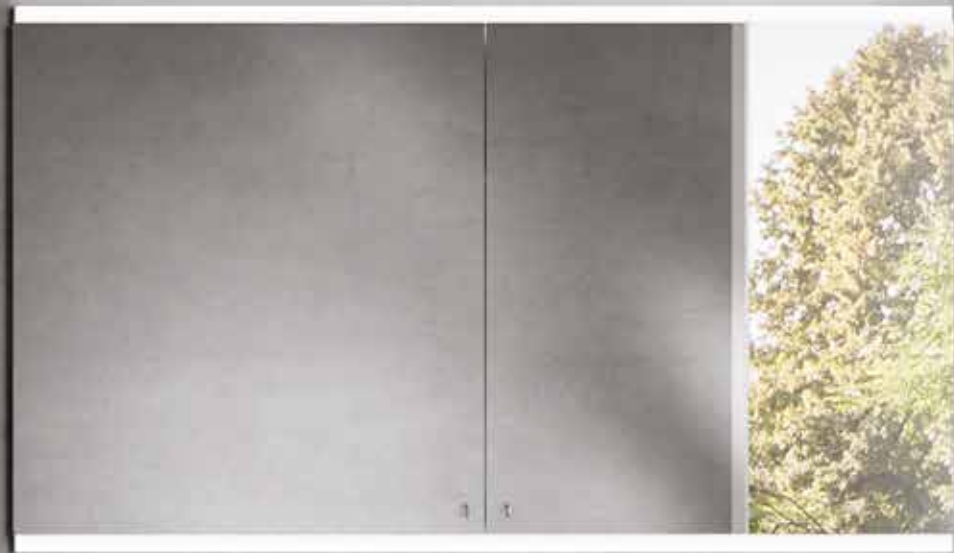

BATHROOM FURNITURE

The centrepiece of the EDITION ACTIS is the exclusive wash place with washbasin and vanity unit, which can be combined with a tall cabinet. The front and carcass of the furniture in a tone-in-tone look radiate calm and harmony. There is a choice of two natural colours, cashmere and vulcanite, as well as classic, timeless white. The visual highlight of the furniture is an open storage compartment that skilfully showcases decorative pieces and favourite products.

- 1 Vanity unit white
- 2 Vanity unit vulcanite
- 3 Vanity unit cashmere

EDITION ACTIS
WASHBASIN

In five different widths, from 500 mm to 1200 mm, the washbasin ensemble offers the right solution for every bathroom - from the small single bathroom to the large family bathroom - as a single washbasin or double washbasin, combinable with EDITION ACTIS single-lever washbasin mixers or wall-mounted spout fittings.

The optional LED lighting of the illuminated shelf of warm white 3000 Kelvin is controlled externally via the room switch or optionally via an invisible touch sensor. Practical equipment details include the power socket integrated in the compartment and the USB and USB-C charging point.

EDITION ACTIS

FITTINGS

In the EDITION ACTIS mixers, soft curves merge with clearly defined straight contours to form a harmonious unit - full of character and with a sensual conciseness. Matching in design and with the same filigree look of the handle, fittings for the shower join the series. EDITION ACTIS mixers are available with brilliant chrome surfaces or in bold black matt.

- 1 Single lever basin mixer 130, chrome-plated
- 2 Single lever basin mixer 130, black matt
- 3 Single lever basin mixer wall mounted, chrome-plated
- 4 Single lever basin mixer wall mounted, black matt

EDITION ACTIS

ASSESSORIES

By reducing them to a few geometric shapes, EDITION ACTIS accessories convey a calm aura. The slender elongated oval of the wall connections creates an optical lightness. Characterful in design, emotional in expression. EDITION ACTIS accessories are available with brilliant chrome surfaces or in strong black matt.

- | | |
|---|--|
| 1 Towel hook, chrome-plated | 6 Towel rail, black matt |
| 2 Lotion dispenser, chrome-plated | 7 Shower shelf with glass wiper, black matt |
| 3 Towel holder, 2-arm, chrome-plated | 8 Toilet paper holder with shelf, black matt |
| 4 Towel holder, 1-arm, chrome-plated | 9 Toilet brush set, wall-mounted, black matt |
| 5 Grab/Towel rail, chrome-plated | 10 Toilet paper holder, open form, black matt |

MIRROR CABINET

The EDITION ACTIS mirror cabinet is a radiant highlight. With five widths from 650 to 1200 mm and two depths, it perfectly matches the washbasins in the series. Those who prefer to integrate the mirror cabinet into the wall will also find a corresponding recessed version. And with its intelligent LED lighting concept, highly functional technology, individually organisable storage space and well thought-out equipment details, it is a real all-rounder.

The horizontal LED lighting at the top and bottom ensures shadow-free, glare-free and bright face illumination. At the same time, it skilfully sets the scene for the washbasin. The light is dimmable and the light colour is infinitely variable - from daylight white to warm white.

- 1 Recessed installation, 3-door
- 2 Wall mounted, 2-doors
- 3 Interior socket
- 4 Interior control panel with capacitive touch sensor / chrome-plated handles
